1. What tools are you using for making the project for example: eclipse, jframe, etc?
   Ans. –
   We are using PyCharm for Python.

2. Have you made any changes to the data structure you have selected? If yes then why?
   Ans. –
   We have used queues for filters and linked list for wishlist alongwith static 2-D arrays to store our data.

3. What is the progress of your project? What all have you accomplished in these 2 weeks?
   Ans.-
   We have partly finished the filters. Now we will work on remaining filters and wishlist.

4. Did you face any problems in these 15 days and were you able to resolve them?
   Ans. –
   We had some conceptual doubts about linked list, they were cleared after we studied the linked list properly.

5. Did you make any major changes in the Project?
   Ans. –
   No, our project is continuing as planned.
